

BEDS

BIG ENOUGH FOR

UNCLE MORTY.

Bathrooms clean enough for Aunt Sylvia. When demanding guests arrive, send them to our place. We'll cater to their every whim. After all, it's our job, not yours. Such a nice place to visit, you'll want to send all your out of towners here. Next time Uncle Morty and Aunt Sylvia stop by, tell 'em where to go.

IS SOMETHING FISHY ABOUT COUSIN BUBBA?

Nothing personal, but there's a lot of truth to that old saying about house guests and fish stinking after three days. We'll help make it easy for you to get rid of those smells. We supply fresh sheets. Hot showers. Plenty of soap. Frequent pampering. Cousin Bubba never had it so good.

EDNA KATZ

VS. FLUFFY THE CAT.

ACHEW!

It's either Fluffy or Aunt Edna. When one has to go, don't call the kennel. Call us. We're much nicer. Not to mention cleaner. We feature "Green Suite" rooms with sophisticated air filtration systems that deliver fresh clean air. Florence will thank you (and so will Fluffy).

MAXED OUT ON UNCLE MAX?

First he ate his way through your refrigerator like a swarm of locusts. Then he found your collection of single malts and treated it like his own personal mini-bar. Now he's got your phone line tied up talking to his broker. When demanding guests arrive, send them packing. To our place. We can handle it. After all, it's our job, not yours.

BIG FAMILY.

BIG

PROBLEMS.

Especially when they come for a visit. Instead of building a new addition or hiring round the clock maid service. To our place. They'll find comfortable beds, uncomplaining maid service, high-speed Internet access, and kitchenettes for those midnight snackers. Not to mention really big rooms. And that gives you the best room of all—breathing room.
